GROUP NAME

OzTheatrics

ADVENTURE NAME

RISING STARS

ADVENTURE DATE

Sat 1st - Wed 12th FEBRUARY 2020

ABOUT THIS EXPERIENCE

Due to the overwhelming response to the *Aussie All Stars* program and OzTheatrics' commitment to offer opportunities to the students selected as *JTCOz All Stars* from their adjudication piece *Travel Gang*, along with Music Theatre International Australasia, have created a supporting international adventure aimed to encourage the rising stars of JTCOz. *Rising Stars* will enjoy a similar experience as the *Aussie All Stars* but will focus on strengthening their singing, acting and dancing skills. This is an interim adventure that aims to be a stepping stone should the students wish to audition for the full *Aussie All Stars* program at a later time. The *Rising Stars* experience will create lifelong memories and inspire the students by being around like minded young performers from all over Australia. The *Rising Stars* experience kicks off in with a brief overnight stop to San Francisco to acclimatise to the jetlag and tick the Golden Gate Bridge and Fisherman's Wharf off their bucket list. We then bus across to Sacramento to include adjudication and skill development workshops in musical theatre in preparation for the Junior Theatre Festival (*JTF West* in California). *Rising Stars* will work with top industry professionals to build their adjudication piece for presentation at *JTF West*. While at *JTF Rising Stars* participants will on develop their craft while also getting feedback on their performance. *JTF West* also delivers some astounding celebrity keynote speakers and workshop leaders. Then head to Hollywood where students can follow the footsteps of famous film stars on the Hollywood Walk of Fame before heading down to the happiest place on earth...Disneyland...and go behind the scenes and participate in an exclusive Disney style musical theatre workshop program.
