## About This Adventure

Join us as the Hunter Singers choir embark on an exhilarating adventure to London and Harrogate! Our vocalists are gearing up for an unforgettable experience, gracing some of the world's most illustrious performance spaces in the heart of London. Immerse yourself in the world of music as we partake in exclusive choral workshops conducted by industry professionals in London. Amidst the harmonious crescendos, we will also indulge in iconic sightseeing, discovering the city's historic landmarks and vibrant culture.

But the excitement doesn't stop there. The journey continues up to Harrogate, where the students will participate in the esteemed international youth festival. The festival's essence lies in collaborating with international musicians, performing in captivating historical venues like Ripon Cathedral and the UNESCO World Heritage Site, Fountains Abbey.

Beyond the music, this journey promises to forge lifelong friendships, connecting these aspiring singers with kindred spirits from across the globe.

*“The team at Travel Gang were meticulous in their preparation, coordination and genuine care and support shown to each and every one of the fifty children and chaperones who participated in the 20 day tour of the USA. It is by far the most comprehensive and professionally managed group event I have been associated with. The quality of the communication and attention to detail which accompanied the management of this tour was highly impressive. I have no hesitation in recommending a Travel Gang program to any parent or educator.”*
