2021 BROADWAY JR AMBASSADORSHIP

PROGRAMME OVERVIEW

The Broadway JR Ambassadorship will offer one outstanding New Zealand teacher a FREE trip to New York and Atlanta where they will undertake professional development alongside the 2021 Kiwi All-Stars group.

The Kiwi All-Stars will travel, as a group, during the 2021 January School Holidays to New York, Atlanta, Los Angeles and Disneyland. Students will spend time in New York City collaborating on a performance piece under the guidance of some of the best industry experts and Broadway performers. They will attend acting workshops and see Broadway shows while also exploring the sights of New York City. In Atlanta, the students will join 6500 like-minded young performers at the international Junior Theatre Festival. This is where the Kiwi All-Stars shine!! They will perform their adjudication piece for feedback, attend skill development workshops presented by the world's best teaching artists, watch performances of brand new musicals and get advice from celebrity guests (past celebrities included Zac Efron and Darren Criss).

After the festival, the group will head to Los Angeles and the magic of the Hollywood sign will provide a great backdrop for the official tour photograph before the group visits the happiest place on earth... Disneyland... where they will be taken behind the scenes to participate in the Disney Performing Arts workshop. There will be loads of leisure time for students to spend in the Disney theme parks before journeying back to New Zealand where a world of opportunity awaits their futures.

The programme is designed and delivered by Travel Gang to not only offer unprecedented performance and growth opportunities for young Kiwi musical theatre stars, but also for them to build lifelong friendships with other like-minded performers from all over the country.

Students who have submitted an audition video for the 2021 Kiwi All-Stars can nominate ONE teacher, director, choreographer, musical director, or stage technician for the ambassadorship. They are provided with a nomination form when they have submitted their audition video.

With the help of our friends at Music Theatre International Australasia we are able to coordinate some truly memorable and life changing experiences. We are extremely grateful for their help and support in bringing this programme to you.

ABOUT TRAVEL GANG- *THE POINT OF DIFFERENCE*

Our vision is to change the world by innovating creative international experiences that allow young people to develop new ways of thinking. At Travel Gang we love to learn, we love to travel and we love to have fun! We design, customise, organise and conduct group adventures and programmes that maximise learning and career development outcomes.

Travel Gang is unlike any other tour operator. We are professionals within the performing arts industry (directors, producers, actors and writers) who also happen to organise the highest quality performing arts tours for New Zealand, Australian and American students.

Tap into *our* industry contacts and give your students exclusive access to some of the highest level industry practitioners in the USA, including a list of actors, directors, choreographers and composers working on current Broadway shows. Do your students want to meet a performer from Hamilton the musical? Or maybe Frozen? Or perhaps they would like a Q&A with Stephen Schwartz, composer of West Side Story & Wicked! Or maybe you would like a lesson from our friends Pasek and Paul, composers of The Greatest Showman, La La Land and Dear Evan Hansen!

We are also uniquely placed to arrange home stays, collaborative performance opportunities and reciprocal school relationships. Let us know if this interests you!

We are truly unlike any other company. #travelgangdelivers
