*“The team at Travel Gang were meticulous in their preparation, coordination and genuine care and support shown to each and every one of the fifty children and chaperones who participated in the 20 day tour of the USA. It is by far the most comprehensive and professionally managed group event I have been associated with. The quality of the communication and attention to detail which accompanied the management of this tour was highly impressive. I have no hesitation in recommending a Travel Gang program to any parent or educator.”*
